

The Texas veteran benefits checklist

The benefits most Texas veterans have earned and many never use - each one cited to the official source so you can verify it yourself. Share it, print it, tape it to the fridge.

Texas state benefits - via the Texas Veterans Commission and partner agencies

Also worth knowing: Texas has no state personal income tax, so military retirement pay is not taxed by the state. The Veterans Land Board also operates Texas State Veterans Homes and free-burial Texas State Veterans Cemeteries - see glo.texas.gov/veterans.
